# Your Giving. Your Impact.

*"I'm proud to donate to Valley View as a Cornerstone Employee Donor. I donate because I know that my gift both supports Valley View employees in need who care for our community and uplifts patient care at Valley View for everyone who walks through our doors. As the Mammography Facilitator in the Radiology department, I witness our community's need for cutting edge care, and I'm happy to donate to make a difference for the employees who deliver that care. Valley View is a great place to work, and I am proud to be a part of the team."*

– Becky Williamson,  
Mammography Facilitator and  
Cornerstone Employee Donor

## The Valley View Foundation is grateful for our community support!

In 2024, donors contributed to:

- The renovation and expansion of Valley View's Critical Care Unit, which offers the area's most sophisticated intensive care for cardiology, surgical, trauma, and pediatrics, serving patients across the Roaring Fork Valley and beyond
- Elevating the care of cancer patients through the purchase of specialized equipment like new infusion chairs for patients, identified by the world-class medical oncology care teams at Valley View
- Uplifting employees in need through the Silver Lining Fund, Valley View's employee assistance fund. From providing assistance for a month's rent to making sure that the power stays on, Silver Lining assists staff members facing financial obstacles that impact themselves and their family.

**Thank you so much to the generous community donors who help make the work of Valley View possible through their outstanding philanthropic support!**
