*"I just wanted to thank the Foundation for helping me with lodging during treatment. I live [out of town] and I did drive daily a couple of times in the beginning but weather, driving..., and financial difficulties made it problematic for daily driving and to stay on treatment schedule. I truly appreciate the Foundation helping me out at a critical time. ...I just want the Foundation to know that it provided an incredibly positive, life changing experience that I will never forget; thank you!"*
